FORM OF SERIES 88-1 CLASS B DEBENTURES

SLX CANADA INC.

(Incorporated under the laws of Canada)

Series 88-1 Class B Debenture

Due on October 1, 2003

NO.

\$

SLX CANADA INC. (hereinafter referred to as the "Company") for value received acknowledges itself indebted and hereby promises to pay to the registered holder hereof on October 1, 2003 the principal sum of \$ in lawful money of Canada. The Company shall pay no interest on the principal amount hereof prior to October 1, 2003 but shall thereafter pay interest at the Canadian Prime Rate on all amounts unpaid and overdue hereunder, (both before and after demand, default and judgment with interest on overdue interest at the same rate), accruing from day to day and compounded half-yearly, on the said principal amount remaining unpaid from time to time, and payable on demand. For this purpose "Canadian Prime Rate" means the annual rate of interest established by The Royal Bank of Canada from time to time at its main branch in Toronto as a reference rate then in effect for determining interest rates on Canadian dollar commercial loans made in Canada; any change in such rate is to be effective on the date such change is established.

This Debenture is one of a series, designated as Series 88-1 Class B Debentures of the Company, issued under the provisions of a trust indenture (herein called the "Trust Indenture") dated September 15, 1988 and a supplemental trust indenture (herein called the "Second Supplemental Indenture") dated December 23, 1988, both made between the Company and The Royal Trust Company (hereinafter called the "Trustee") as trustee. By the Trust Indenture the Company has created a security interest in and mortgaged, pledged, assigned and charged, as and by way of a first floating charge, to and in favour of the Trustee, its successors and assigns, all its undertaking, property, rights and assets now owned or hereafter acquired by the Company, of whatsoever nature, kind or description and wherever situate. Reference is hereby made to the Trust Indenture, the Second Supplemental Indenture and all other indentures supplemental to the Trust Indenture for a description of the security created thereby, the terms and conditions upon which the Series 88-1 Class B Debentures are

issued or may be issued, secured, and held, the nature and extent of the security, and the rights of the holders of such Debentures and of the Company and of the Trustee, all to the same effect as if the provisions of the Trust Indenture, the Second Supplemental Indenture and all other indentures supplemental to the Trust Indenture were herein set forth, to all of which provisions the holder of this Debenture, by acceptance hereof, assents. Without limiting the generality of the foregoing, the holder of this Debenture, by acceptance hereof, acknowledges and assents to Section 9.19 of the Trust Indenture which limits the holder's recourse against any incorporator, shareholder, officer or director, past, present or future, of the Company and Section 16.06 of the Trust Indenture pursuant to which the holder agrees to certain non-disclosure restrictions.

The Series 88-1 Class B Debentures, of which this is one, are limited to an aggregate principal amount of \$3,656,643.51 in lawful money of Canada and mature on October 1, 2003, are issuable only as fully registered debentures in denominations of a minimum of \$10,000 with no set integrals thereafter, and are issued only upon the terms and subject to the restrictions set out in the Trust Indenture and the Second Supplemental Indenture.

This Debenture ranks *pari passu* without discrimination, preference or priority with all Class A Debentures and Class B Debentures issued in accordance with the Trust Indenture irrespective of their actual dates or terms of issue.

The Trust Indenture contains provisions for meetings of the holders of debentures issued by the Company in accordance with the Trust Indenture and for making binding upon all such holders resolutions passed at such meetings and instruments in writing signed by the holders of a specified percentage of specified classes of debentures, which resolutions and instruments may, among other things, sanction any change in the Trust Indenture or in the rights of any holders of debentures issued by the Company, all in accordance with the provisions of the Trust Indenture.

No transfer of this Debenture shall be valid unless made on one of the registers to be kept for that purpose at the principal office of the Trustee in the City of Toronto, Canada, and at such other place or places and/or by such other registrar or registrars (if any) as the Company may from time to time designate, by the registered holder hereof or his executors, administrators or other legal representatives or his or their attorney duly appointed by an instrument in writing in form and execution satisfactory to the Trustee and upon compliance with

the conditions prescribed in the Trust Indenture and with such reasonable requirements as the Trustee and/or other registrar may prescribe, nor in the case where a new debenture is or debentures are issued upon such transfer, unless such transfer has been duly noted hereon by the Trustee or other registrar.

This Debenture shall not become obligatory for any purpose until it shall have been certified by or on behalf of the Trustee.

IN WITNESS WHEREOF this Debenture has been duly executed and the corporate seal of the Company affixed hereto.
